

Students! Join the STAGE CREW

Want to gain knowledge in live event management through real-life experience working on a multi-layered event? Volunteer for the stage crew at a NACA conference for a hands-on production experience. Stage crew members receive complimentary lodging and meals, as well as a certificate of completion after the event.

STUDENT & STAFF OUTCOMES

Students will participate in and gain knowledge in:

Load in/out logistics • Concert logistic management
Technical equipment set up and tear down experience
Coordination with a professional production team
